

Volusia County Schools
Electronic Information Services Acceptable Use Agreement for Students

Computers and/or educational technologies are provided for student use to further the educational goals of the district. Specific schools/classrooms may participate in a program that allows students to use their privately owned, wireless mobile technology to access a "BYOT" network for curriculum use as directed by the teacher. Prudent security measures such as firewall, anti-virus and malware software are recommended on your personal device. Specific schools/classrooms may participate in a program that issues a Volusia County Schools-owned device to students for use at school and at home. To ensure students benefit from educational technologies, they will adhere to the following guidelines, as well as those specified in School Board Policy 518 and other district policies and procedures governing student contact.

On District Owned and Managed Computers:

1. Students will only use programs and devices as authorized by the teacher.
2. Students will not install or download from the Internet any software, including games, on any computers at school.
3. Students will not make any changes to desktop setting or to programs.
4. Students will save their files to removable device unless advised otherwise by the teacher.
5. Student should exercise reasonable care to ensure any computers or computing devices (USB, memory stick, mobile devices) are virus free and do not contain unauthorized or inappropriate file.
6. Students may use the Internet for only curriculum research and projects assigned by the teacher. No browsing the Internet for recreational purposes is allowed. Any inappropriate material inadvertently accessed should be reported to a teacher.
7. Students shall not visit non-district supported chat room so use instant message without permission and direction from the teacher.
8. Student will use district-supported technologies, including, but not limited to, online resources (e.g., wikis, blogs, online collaborative environments, etc.) for educational use only, with permission and at the direction from the teacher.
9. Students shall not give out personal information about themselves or others; this includes any demographic information such as physical address, full name, account name/sign-on and/or passwords.
10. Students will immediately notify the teacher if malfunctions occurring any computer, peripheral, or software. Any tampering with hardware, peripheral devices, or software will be considered vandalism and will be handled accordingly.

I further understand that failure to follow these guidelines may result in the loss of access to the network or others disciplinary action.

The use of EIS is a privilege and not a right. Please review Support Services Policy 518 (above). Having read this form, sign and have your son/daughter sign below to use student computers and/or other educational technologies at his/her school for the years he/she is in attendance at the school listed below.
